****All of your child's supplies must fit in his/her pencil case. Please make sure your child has an ample supply of sharpened pencils daily. Please, no markers etc.**

*** One of the large marble copybooks will be your child's writer's notebook. We would like the covers of the book to be decorated ~ front & back! ~ with words and pictures that describe your child's favorite things. Use magazine pictures, photos, stickers, etc., and be creative! Label it **Writer's Notebook**. After the book covers are decorated, please cover them with clear contact paper. This will help keep the copybook protected from daily wear and tear.

Begin saving those Box Tops. The PTA collects Box Tops for future purchases. They are usually collected a few times throughout the school year. The classes with the highest total number of Box Tops win a treat. We love treats!

Third grade is truly a milestone year. You will see many changes in your child, in the third grade curriculum, and in student expectation. Looking forward to seeing you at Back to School Night
