

## 2016 CHERRY HILL FOOD DAY BANNER CONTEST RULES

**EAT A RAINBOW**

**Dear Educator of Kindergarten through 12<sup>th</sup> grades!** You are invited to join in on the festivities and enter your class in the 2016 Sustainable Cherry Hill Food Day Festival Banner Contest!

Food Day is a nationwide celebration of healthy, affordable, and sustainably produced food, a grass roots campaign for better food policies. Sustainable Cherry Hill, the Cherry Hill Public Schools and local business sponsors are hosting the 2016 Food Day Festival on November 6<sup>th</sup> at the Cherry Hill High School East cafeteria and will be open to the public from 12:00 pm to 2:30 pm. Sustainable food related businesses and not-for-profits will exhibit and make presentations with the focus on children.

Our 2016 Food Day priority is to raise awareness about the critical importance of food education starting with our children. If every child had the opportunity to learn about, grow, and cook food and understand the implications of food waste on the wider community, we believe they'd have the knowledge and tools to lead healthier and more fulfilling lives.

This year's banner contest, "Eat a Rainbow" is designed to increase children's knowledge about whole food nutrition and how a rainbow of colors in food can benefit them in different ways. The Sustainable Cherry Hill Green Health Task Force hopes you will take this opportunity to raise Food awareness with our children. Please see the rules listed below:

1. The Banner contest will be open to Cherry Hill classes from Kindergarten through 12<sup>th</sup> grades.
3. Banners can be of any size and any type of medium (chalk, paint, crayons, pencils, charcoal, felt markers or any combination) may be used. Collages are acceptable. Computer or photo generated art and/or printing is acceptable.
4. The banner must be related to the contest theme in some way. The theme title for Food Day 2016 "Eat a Rainbow" must be on the banner. Don't forget to check the spelling of words on your poster.
5. The front of each banner should include the teacher's name or Room #, school's name and the grade.
6. Please take a photo of the class with the banner and email it to [greenhealth@sustainablecherryhill.org](mailto:greenhealth@sustainablecherryhill.org) so we can display it on our Facebook page. Banners will be displayed on Food Day and voted on by the public as well as by 3 Judges. Classroom children and families and friends are encouraged to attend Food Day and vote.

Thank you,

Susan Brier and Heather Stein
